The drama "Damon and Pythins"

Pythias," We yearned for such a friend as old "Pyth," was to "Danesn" and "Damon" was to "Pyth," We didn't stop to ask who wrote the frame, but kept an eye peeled for such a friend. That eye is peeled yet, and out of countenance but found nary across any number of "Luculiuses" refreshing sang froid, not because they wished to restrain us from returning to our friends, but because they wished last week the foreman "split" a para us to remain and open the big 'jack graph. But the proof reader's vigilanpots" At times the act of 'Lucultus" eye did worse in allowing as to state
has forced us to imitate "Damon" and that the Columbia Herald issued a 64ner" beneath the stars that smiled illustrated paper containing 126 col down at our heroism(?). But no umus, principally reading matter Pethias came to take our place, save which in book form would make 25 Uncle Isase" Pythias of the sign of pages. the three golden balls, and his charge ference in resurrecting our mule, so to

> The "Bridges Twins" drew to the Grand Opera House Friday night one of the largest audiences we have ever seen assembled in Richmond, This was decidedly a compliment to the little prodigies when it is remembered that the weather was very warm and that they appeared two nights and at a mee, gave them close attention and rounds of applause and handson justs rewarded their efforts to please The father of the children is now trav eling with them and while here paid the DEMOCRAT several visits. He is a lawyer of high standing in Summit, Miss., but intends to take up his res

dence in Independence, Mo.

The rain Saturday night prevented the appearance of the twins. Nothing daunted the party remained over and gave an entertainment Monday night to a very fair audience. The program rendered was even better than that of Friday night and the applause was frequent and hearty.
